

Infant's Class Newsletter

Term 2- 2025-26

Spring term 2

This term we are welcoming Miss Kelly, who is on placement with us during her teacher training.

Curriculum

Year 1:

Science: animals - characteristics and habitats.

History: castles- purpose and features

D&T: hand puppets

RE: Holi

EYFS:

EYFS will be looking at animals, including habitats and insects.

We are continuing our drawing club, which encourages the children to draw and write and learn new vocabulary based on a book of the week.

PE

PE will continue to be on a Tuesday afternoon. Please send in warmer layers, if possible, as some PE may be outside.

Tapestry Talk Time

We are enjoying our new tapestry talk time. Please be aware that photos need to be on tapestry or emailed by Friday morning. Children do not need to have something to show each week (unless they want to).

Class Notices

Please continue to send in waterproof and warm clothing for Forest School, which can remain in school until the end of term.

Thank you for your continued support,

Mrs Pickering and Mrs McClue
