Dear Parent/Carer,

This term we are continuing with our Superheroes topic but from December this will merge into Christmas based topic/activities across the curriculum.

As you will probably be aware we have a student teacher working with us in class with us this term.

Miss Doubtfire is a final year teaching student at Bishop Grosseteste University and will be in the Infants Class until the second week of December.

The children have asked me to send a new timetable for Show and Tell (the most important event of the week!)

Friday 10th November	Year 2
Friday 17th November	Year 1
Friday 24th November	Year Reception
Friday 1st December	Circle Time
Friday 8th December (last one of the term)	Everyone Show and Tell

Your hard work supporting children with reading and spelling at home has helped with work in class enormously last term - keep it up,

as it is this regular practise at home that embeds learning that has been taught at school.

Thank you

Once again the weather has turned cold and little hands get very cold so please make sure you send in gloves etc so your child is comfortable when playing outside at break etc.

As always please email me at : [enquiries@bucknall.lincs.sch.uk](mailto:enquiries@bucknall.lincs.sch.uk), pop in to see me, or send a message in diaries if you have any questions, concerns or worries.

Thank you

Mrs Chappell
